Tariff

Call & Surf - CHF 49.00/month (12 month)*

This offer is valid only for current ADSL ANALOG CONNECTIONS. The rate plan completely eliminates fixnet abo charges of CHF 25.-. No more separate bills from Swisscom.

* With ISDN only the main number can be transfered. Fixed line SMS are not supported. The actual DSL speed depends on your line (e.g. on the distance to the nearest telephone exchange) and can be lower than stated. Cost of electrician intervention will be at customer expense.

Modem

WLAN Router Plug & Play (FREE, value CHF 189.00)

I hereby authorize PhoneWorld LLC/TalkTalk Ltd.:

To cancel the below-listed participant connection and/or participant line with my current service provider and to initiate a transfer of said connection and/or line from my current service provide

I wish to have my telephone connection including phone number(s) at PhoneWorld/TalkTalk.

My fixed network number(s):

Cancellation with my previous provider ____ _____ should be (tick box):

on this date*: (min. 10, max. 90 calendar days from today) _

as soon as possible*.

* Important note: The switchover will take a minimum of 7 calendar days after receiving the signed registration form If I use the services, which presupposes a contract for the telephone connection, they will be automatically cancelled on the date of activation (e.g. Internet access, Voice over IP, subscribed special rates). This may result in my previous providers billing me additionally for contractual opt-out charges. To avoid these additional costs, I must cancel all additional contracts in good time, i.e. by complying with notice periods and canceling the phone line of my previous providers by the latest to end on the date of activation. TalkTalk will inform me later of the precise date and time of the switchover. Provision of service by my previous provider will end on this date.

General Terms and Conditions, additional provisions The General Terms and Conditions (GTC) of TalkTalk Ltd. apply. With my signature, I acknowledge that I have received, read and accepted the GTC, the Internet use guidelines and the subscription conditions for Call & Surf. I also confirm that the details I have given are correct. This Call & Surf registration form does not release me from obligations made to my previous provider (such as minimum term of contract, payment of bills). The actual speed depends on my telephone line (e.g. distance to the nearestexchange) and may be slower than the listed speed. I will be precise date of activation of Call & Surf supervised with the order confirmation. Contract duration 12 months. The contract has to be cancelled one month before it ends. TalkTalk will charge an early termination fee of 300 Fr., should the customer not comply with the cancellation notice requirements.
