### Important notes

- The payment by installments refers to the object of purchase. The monthly installments will be charged on the TalkTalk bill for the mobile contract. The payment by installments is free of interests.
- The customer has the right to redeem the outstanding installments at any time at once.
- If you do not pay your installments on time, TalkTalk is entitled to terminate the contract and all outstanding installments are due immediately.
- The payment by installments agreement is depending on the existence of the mobile contract. The cancellation of the mobile contract or a change of the owner causes an automatic cancellation of the payment by installments agreement. In this case all open installments are due immediately.
- The customer is owner of the device. Theft, cession or transfer of ownership of the device will not relieve the customer from the performance of this contract or the payment by installments agreement.
- TalkTalk Ltd. reserves the right to refuse requests and to perform a credit check.
- The billing of the monthly installments starts after the delivery of the device.
- In principle, there is no right of return for devices.

### Appendices to this agreement

The appendices to this agreement are valid in the following order: present contract, the actual valid terms and conditions (T&C's) available on [www.talktalk.ch](http://www.talktalk.ch). I confirm that I've read and accepted without any modification the contract and the valid terms and conditions.
