(1) The data connection is limited to the specified speed or according to "best effort" to the available technical bandwidth according to the network technology (3G/4G). TalkTalk reserves the right to apply a "fair use" policy in the event of extraordinary use. (2) Price per SMS/MMS and calls to all other countries according to the international tariff list. Calls to the Talkbox, roaming, value-added services and fixed network SMS are excluded. (3) All information on the options and the international tariffs can be found at www.talktalk.ch/prepaid. The options are valid for 30 days and are automatically renewed. (4) Overseas territories of the countries mentioned are excluded.

Billing: Prices are in CHF per min. incl. VAT. Calls are charged every second after the first 30 seconds. The data is calculated in a 10KB step. In addition Roaming charges, international calls, premium services and calls to special numbers (e.g. 08xx, 090x, 18xx, 058) will be charged. Prices subject to change.
